Login

Try for free

STEP 1

Connect your brand

Tell Predis your brand details, tone, and the platforms you're on. Takes 2 minutes.

STEP 2

AI generates your content

Predis creates a full week of posts, captions, images, reels, carousels in your brand voice.

STEP 3

It posts automatically

Your content publishes on schedule, every day, without you logging in.

What Predis customers see in 30 days, on average

15+hrs

Saved every week

Zero time spent brainstorming, designing, captioning, hashtagging, posting.

87

Posts shipped per month

Across every channel you're on, without touching a single one manually.

\$340

Saved every month

Replaces the cost of freelance designers, writers, and schedulers, all in one tool.
